SUMMARY

Recent B.Tech graduate in Computer Science from RGPV University with practical experience as a Junior Software Developer intern at LeopardRuns Innovation & Technology. Demonstrated ability to work effectively in a team, contribute to software development projects, and apply academic knowledge to real-world scenarios. Known for strong problem-solving skills and a keen interest in innovative software solutions.

EDUCATION

K.C MOUNT FORT SCHOOL (CBSE)

High School (10th Grade) 2018
Percentage - 52.2%

PATEL COLLEGE OF SCIENCE & TECHNOLOGY (RGPV)

Diploma in Computer Science
2018 – 2021   CGPA - 7.58

PATEL COLLEGE OF SCIENCE & TECHNOLOGY (RGPV)

B.tech in Computer science
2021 – 2024   CGPA - 7.49

SKILLS

- javascript
- html
- css
- Bootstrap
- oops
- git & github

CERTIFICATIONS

- jr.Software Developer intern certification
- Google analytic academy Certification
- Microsoft AI classroom series Certification
- Skillup with IBM Certification

PROFESSIONAL EXPERIENCE

Internship

I **LeopardRuns Innovation & Technology | june 2024 - july 2024**

- Assisted in the development and maintenance of software applications, gaining hands-on experience with modern technologies.
- Collaborated with a team of developers on various projects, enhancing coding, problem-solving, and teamwork skills.
- Contributed to real-world applications, actively participating in the software development lifecycle.
- Improved understanding of software engineering principles and practices.

PROJECT

TyreTrackHub /HTML , CSS , Bootstrap & JS
- Implemented responsive design techniques to ensure a seamless user experience across desktop and mobile devices.
- Utilized Bootstrap components for a clean and modern interface, enhancing the site's usability and visual appeal.
- Developed an e-commerce website for a tyre shop using Bootstrap, featuring a product catalog, cart functionality, and checkout process.
- Integrated dynamic content management, allowing users to browse products, add items to a cart, and complete purchases.

Dynamic Web Animations
- Created an engaging and visually appealing animation project using HTML, CSS, and JavaScript..
- Demonstrated proficiency in animation techniques, including keyframes, transitions, and interactive elements.
- Designed and implemented various animation effects to enhance user experience and interface interactivity.
